- All of the information I have provided on this Agreement is true and accurate. I authorize the Boulevard to make whatever inquiries are deemed necessary to determine the accuracy of the information. By my signature (including any digital or electronic signature) on the attached credit application, I agree to abide by all the terms and conditions of this security agreement.
- I have received a copy of the Federal Truth-In-Lending Disclosure Statement (on reverse side of this form) for the Boulevard Revolving Charge Accounts ("Disclosure Statement"), and agree to pay all amounts I owe you according to the terms of the Disclosure Statement and this agreement, as those terms may be changed from time to time.
- I will timely pay all amounts billed to me under the terms of the Disclosure Statement and any billing you send to me for credit extended under this Agreement, including all finance charges and other costs. Any purchase I make on credit evidenced by sales slip, memorandum, invoiced or similar document will be deemed to have been made under the terms and conditions of this Agreement. Payments made by phone may be assessed a fee of \$5.00 per transaction.
- You may require me to pay off my entire credit balance, plus accrued finance charges, all at once if I fail to make any payment on time, or if I breach any term of this Agreement, or if you feel insecure for any reason about my ability or willingness to pay anything I owe you. You may also require me to pay off amounts I owe you at a faster rate than shown in the Disclosure Statement for any reason you may choose.
- I agree that my liability for any purchases made under this agreement is joint and several, meaning that I am responsible for the entire balance of the account, whether incurred by myself, by any other applicant hereunder, or by any authorized user.
- I am granting you a security interest in all goods purchased from you on credit under this Agreement and all proceeds of such goods. You may exercise any rights granted to a secured party under the provisions of the Utah Uniform Commercial Code, including the right to repossess and sell such goods or proceeds thereof. If the amount received on sale of the goods, including costs of repossession, storage, sale and other costs, is insufficient to pay all amounts I owe you, I agree to pay you the amount of any such deficiency. I consent to having this agreement filed as a financing statement. I further agree that THE BOULEVARD may apply any payments by me against my purchases as determined by THE BOULEVARD, and may offset any payment due me against any balance due THE BOULEVARD.
- I agree that, until the entire purchase price together with applicable charges shall have been fully paid for goods purchased under this Agreement, I will not remove the goods from my address set forth on the application, or sell the goods to a third party, without your prior written consent.
- The decision to offer credit to me is entirely yours, and you may revoke any credit granted to me or decline to grant further credit to me for any reasons whatsoever, and at any time, to the extent not prohibited by law.
- You may change the terms of this Agreement at any time after giving me the minimum notice required by law, and the new terms will apply to the balances I owe you on the effective dates of any such changes. Specifically, but without limiting your right to make other changes, I agree that you may raise or lower the annual percentage rate chargeable on my account after two months' prior notice to me.
- In the event you are required to institute any legal action or to take other means to collect amounts I owe you, I agree to pay all of your costs of collection, including a reasonable attorney's fee. If I make payment on any purchase or billing by check, and the check is returned to you unpaid for any reason, I agree to pay you a minimum fee of \$20.00 for each such check, or for each time a check is resubmitted for payment, together with your attorneys fees and costs in collecting payment on the check. I agree that in the event you institute legal proceedings against me, such suit may be brought in Washington County and that Utah law will govern the interpretation or enforcement of this agreement. I hereby waive all objections to such jurisdiction and agree to submit thereto. Any judgment you obtain against me shall continue to bear interest at the annual percentage rate applicable to my account balance at the date of judgement.
